I guess the pressure was too much for them to deal with lol.

Can I post on FB group that my file was cleaned out and I received a 6 figure settlement with no specification on the amount ?

Edelman wants to do a story and I will also have her phrase it as a six figure settlement. Will also contact crime watch daily.

Any objections to things mentioned ?

Bryan,

I have been informed that, consistent with today's agreement, Mr. Maliarakis' last day at William Cullen Bryant High School will be Wednesday, November 25, 2015. Mr. Maliarakis will go into ATR rotation effective Monday, November 30, 2015, and will receive his work assignment next week. It is my understanding that Mr. Maliarakis will receive an independent communication directly from the DOE with the details of his assignment.

Regards,

Sean

We think 5k is fair for the amount of work everyone put into the case. I'm sure that we never agreed on 10% before this conference today. You simply said you would come to the negotiating table for this conference. Bryan suggests that you guys put terms in writing for any future cases/work. The only way this would become 10% is if Bryan were willing to go down to 25% which he or I don't think would make it a fair split here for the amount of work put into the case by each party. Hope you understand because I don't like to screw anyone out of what they deserve.
